This book is a retrospective of the decentralization reform process in Sierra Leone from 2003-07. During this period, the Government of Sierra Leone (GoSL) reestablished elected district and urban councils across the country, transferred certain responsibilities for primary services and local investment and some financial resources to the new councils, and invested heavily in building the administrative infrastructure and capacity of the local councils.

Decentralization, Democracy, and Development : Recent ...

This report's central proposal is adopting spatial integration as a development platform, in which the policy focus shifts from spreading out industrial location to spreading out access to basic public services and facilitating factor mobility, which will make growth more inclusive and development more balanced in Egypt.
