Everybody wants to be loved. We all need affirmation, acceptance, and approval. Let's face it: It feels good to be appreciated and admired. But when we depend on the approval of others to feel good about ourselves, it's impossible to have emotional stability or a healthy self-image. And when our value is based on how people see us rather than God's unconditional love for us, our desire for approval can become an addiction. In THE APPROVAL FIX, #1 New York Times bestselling author Joyce Meyer gives you practical insights that will help you learn how to accept who you are and become the unique individual God created you to be. You'll experience greater confidence, deeper emotional stability, and healthier relationships-the life you're really longing for. Today, discover the truth about God's love for you and approval of you. And enjoy the freedom to be the amazing person you can be in Him! Derived from material previously published in Approval Addiction.

How far would you go to find yourself? Imagine everything you thought you knew about yourself turned out to be a lie, and you didn't know who was telling the truth. Imagine you possessed a secret so dangerous that, if it were exposed, it would reshape the entire world. What would you do if that secret were your very identity? In almost every way, Palo Vista seems like a typical California city, with office buildings, schools, and homes sprawled out across suburbia, filled with families making a life for themselves at the dawn of the new millennium. But two seniors at Mt. MacMurray High are about to find out that nothing is as it seems. Jason Nix is a star athlete and honors student who can't seem to remember anything about his childhood. Elyse Van Auten is a budding artist from a broken home whose father left her mother two years ago - or so she's been led to believe. Like most teens entering adulthood, Elyse and Jason just want to find out who they really are. For them, however, the stakes go far beyond their own personal quest. Join them on a journey of self-discovery that becomes a desperate fight for survival against enemies determined to conceal the truth ... and find out what happens when that fight becomes personal.

A Latvian tale of two brothers in search of an enchanted White Deer.

This is a fascinating window into the development of the women's movement in the words of those who moved it. Compiled and introduced by the UK-based anarchist collective Dark Star, Quiet Rumours features articles and essays from four generations of anarchist-inspired feminists, including Emma Goldman, Voltairine de Cleyre, Jo Freeman, Peggy Kornegger, Cathy Levine and beyond. All the pieces from the first two editions are included here, as well as new material bringing third and so-called fourth-wave feminism into conversation with twenty-first century politics.
