Shamanism is an ancient spirituality rooted in the belief that all matter has consciousness and that accessing the spirit in all things is part of what keeps the world and people healthy and in balance. Spirit beings surround us and are the source of a spirit walker's ability to profoundly influence life events and thrive in difficult circumstances. In Spirit Walking, shamanic practitioner Evelyn Rysdyk shows how we can all connect with the spirit world to find balance and healing. Using shamanic techniques that have been proven over thousands of years of human existence, Rysdyk offers a step-by-step guide to understanding and integrating shamanic practices into one's life through: Power Animals Prayers and Rituals Discovering the Creative Energy of Emotion Imagination and Manifestation Learning to Shape-shift Divination Traditional Shamanic Healing Rysdyk shares powerful stories of shamans from a variety of cultures such as Nepal, Tuva, the Ulchi from Siberia, and from Peru. She brings a fresh perspective to

the work by showing how the latest findings in quantum physics are verifying that we are all connected in an intricate web of energy and spirit.

**Build Your Own Shamanic Toolkit** In this beautifully illustrated guide, artist and shamanic teacher Evelyn C. Rysdyk shows you how to create, decorate, consecrate, and use various sacred tools in ritual and healing. Navaho traditional healers bring rattles, corn pollen, eagle feathers, and sage smoke together with songs and dances to affect healing. Ulchi shamans use drums, rattles, and larch tree wands called gimsacha to work healing magic. Manchu shamans will perfume the air with incense and tie on a heavy bustle of iron jingles as a part of their ceremonial costume. Modern shamanic practitioners likewise use sacred tools to facilitate our connection to helper spirits in the Upper, Middle and Lower Worlds, as well as the spirits of nature. While you can purchase many of these tools, there's nothing quite as powerful as making your own. You'll find instructions for making rattles, drums, masks, mirrors, spirit figures, fans, bells, pouches, wands, prayer bundles, flutes, whistles, and more. Plus suggestions for responsible ways to obtain the materials you'll need. "Having an intimate connection to all the spirits that came together in my favorite rattle—knowing that the tiny pebbles came from the local riverbank, the wood handle from a lightning-struck maple in my yard, and the rawhide from a black bear that was hunted by a native friend for food—gives it a far deeper meaning and power." —from the introduction The author's original artwork and photographs of shamans and their authentic tools appear throughout the book.

Thousands of years ago an orphan boy and his wolf cub companion challenge a demon bear that threatens to destroy their world forever. With the help of the World Spirit, Torak destroys the bear, but his beloved Wolf is lost in the ensuing avalanche. And Torak's quest is far from over. A strange, creeping sickness, silent and deadly, is threatening the Ravens. Word arrives that the Seal Clan have the cure and Torak must face a lonely journey to find it. On the Seal's Island he stumbles into a world utterly unlike his own. Here life moves to the rhythms of the sea, the Seals build shelters from whale bones and skim the waves in fast, beautiful kayaks. And here Torak is welcomed by the kindly Seal Mage, Teneris, and kinsman, Bale. But all is not as it seems - Torak must keep his wits about him to judge who might be friend or foe. As in 'Wolf Brother' Michelle Paver's sheer passion for her story set in a world of myth and natural magic, shines through in this skilfully woven, exciting and brilliantly satisfying second instalment of the Chronicles of Ancient Darkness. Launched at the height of the Harry Potter phenomenon, the Chronicles of Ancient Darkness is the ultimate magical adventure. This edition contains brand new interviews with Michelle Paver. Audio edition also available, read by Ian McKellen.

An experiential guide to the wisdom preserved in Europe's far north •

Includes shamanic journeys to connect with deities and your ancestral shamans • Provides step-by-step instructions to prepare for and conduct a seiðr ceremony • Draws on archaeological evidence and surviving written records from Iceland • Reveals the long tradition of female shamans in northern European shamanism Shamanism is humanity's oldest spiritual tradition. In much of the Western world, the indigenous pre-Christian spiritual practices have been lost. Yet at the northern fringes of Europe, Christianity did not displace the original shamanic practices until the end of the Viking age. Remnants of Norse shamanic spirituality have survived in myths, folk traditions, and written records from Iceland, providing many clues about the ancient European shaman's world, especially when examined in conjunction with other shamanic cultures in northern Eurasia, such as the Sami and the tribes of Siberia. Reconstructing the shamanic practices of the hunter-gatherers of Scandinavia, Evelyn Rysdyk explores the evolution of Norse shamanism from its earliest female roots to the pre-Christian Viking Age. She explains how to enter Yggdrasil, the World Tree, to travel to other realms and provides shamanic journeys to connect with the ancestral shamans of your family tree, including the Norse goddess Freyja, the very first shaman. She offers exercises to connect with the ancient goddesses of fate, the Norns, and introduces the overnight wilderness quest of útisetá for reconnecting with the powers of nature. She explains the key concepts of Órlög and Wyrð--the two most powerful forces that shape human lives--and provides exercises for letting go of harmful behavior patterns and transforming simple knowledge into profound wisdom by connecting with Óðinn. Thoroughly examining the shamanic rituals of seiðr, the oracular magic of the Nordic cultures, the author provides step-by-step instructions to prepare for and conduct a seiðr ceremony, including creating your own seiðr staff and hood, and explores the ancestral use of shamanic songs or varðlokur to accompany the ceremony. Woven throughout these exercises, Rysdyk provides archaeological evidence from Neolithic sites supporting the long tradition of venerating wise women, grandmothers, and mothers in ancient cultures and the important role of female shamans at the heart of northern European shamanism. Providing an accessible guide for anyone trying to fulfill their shamanic callings, these powerful rituals can provide personal healing and a clear path for finding our way into a harmonious relationship with the natural world.

Walking in the Spirit is a journey into what the Bible teaches about life in the Holy Spirit. Author Kenneth Berding uses the apostle Paul and his words in Romans 8 to model what it looks like to live both empowered and set free by the Spirit. Written at an accessible level, Berding speaks to a wide audience as he seeks to connect readers to the life of the Spirit. His practical guide covers a variety of topics, showing readers how to set their minds on the things of the Spirit, put to death the deeds of the body, be led by the Spirit, know the fatherhood of God, and hope and pray in the Spirit. Berding applies the Bible to life through many of his own personal

experiences, helping readers make connections to their own spiritual journeys. Discussion questions for each chapter facilitate personal reflection and small-group study.

"I am about to tell you a most unusual story, a chronicle of something that happened to me while I was living on the flank of an active volcano on the island of Hawai'i. I'm a scientist. I mention this because I do not feel that I was in any way predisposed for what was about to occur. In fact, my scientific training would seem to have preprogrammed me against such an experience." -- From Spiritwalker The astonishing true story of an anthropologist's quest into a spiritual world of magic, mysticism, and meaning. Not since Castaneda's tutelage under the Yacqui Indian guide Don Juan has there been a spiritual autobiography quite like Spiritwalker. Hank Wesselman's incredible story of a series of encounters that would forever change his life began with what he at first tried to explain away as particularly vivid dreams, but which grew increasingly intense and insistent, ultimately propelling him on twelve fantastic journeys across time and space. Over the next three years, his journeys proved to be far more important than mere reason could explain. Eventually, Dr. Wesselman became convinced that he'd been granted a visionary encounter with what tribal people from millennia past have called the "spirit world." During his epic travels, Dr. Wesselman met shape-shifting entities, spirit helpers, and guardians, and found himself traversing a mental, physical, and spiritual landscape on a path intersecting that of a fellow traveler, a Hawai'ian kahuna mystic named Nainoa. Five thousand years into the future, Nainoa had been sent by his Chief on a journey into what used to be America, a once-powerful land of machines and magic, from which no previous voyagers had ever returned. What did Nainoa seek from Dr. Wesselman? What did the anthropologist have to learn about his own world from this exotic traveler from another time and place? Together, scientist and mystic are initiated into knowledge of non-ordinary levels of reality and given foreshadowings of imminent environmental, political, and spiritual challenges to their civilization. Without abandoning his scientific objectivity, Dr. Wesselman abandoned himself to the mystical, sometimes frightening, yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness. The result is a fascinating and suspenseful adventure, an exciting and important archeological discovery, and the story of how a hard-headed scientific-realist stumbled on an important piece of the puzzle of human evolution. Socially urgent and disturbingly prophetic, Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world, our reality, and our future.

The twentieth anniversary edition of a transformative blueprint for ancestral healing—featuring new material and gateways, from the renowned herbalist, natural health expert, and healer of women's bodies and souls "This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as

one."—Jada Pinkett Smith Through extraordinary meditations, affirmations, holistic healing plant-based medicine, KMT temple teachings, and The Rites of Passage guidance, Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak, the foods we eat, the relationships we attract, the spaces we live and work in, and the transcendent woman spirit we manifest. With love, wisdom, and passion, Queen Afua guides us to accept our mission and our mantle as Sacred Women—to heal ourselves, the generations of women in our families, our communities, and our world.

- Mongolian shamaness Sarangerel provides a hands-on guide for serious students of the shamanic path.
- Includes complete directions for traditional Siberian rituals, meditations, and divination techniques never before published.
- Shows how to recognize and acknowledge a call from the spirits.
- Offers traditional wisdom for nurturing a working relationship with personal spirit helpers to promote healing and balance in a community. The shaman's purpose is to heal and restore balance to his or her community by developing a working relationship with the spirit world. Mongolian shamanic tradition maintains that all true shamans are called by the spirits—but those who are not from shamanic cultures may have difficulty recognizing the call or nurturing the essential shamanic relationship with their helper spirits. Buryat shamaness Sarangerel has written *Chosen by the Spirits* as a guide for both the beginning shaman and the advanced practitioner. Although raised in the United States, she was drawn to the shamanic tradition, and in 1991 returned to her ancestral homeland in the Tunken region of southern Siberia to study with traditional Buryat shamans. Her first book, *Riding Windhorses*, provided an introduction to the shamanic world of Siberia. *Chosen by the Spirits* delves more deeply into the personal relationship between the shamanic student and his or her "spirit family." Sarangerel recounts her own journey into shamanic practice and provides the serious student with practical advice and hands-on techniques for recognizing and acknowledging a shamanic calling, welcoming and embodying the spirits, journeying to the spirit world, and healing both people and places.

A cross-cultural consideration of illness, healing, and health care from the ancient wisdom of the traditional peoples, accompanied by an experiential CD of shamanic drumming and rattling to be used with specific exercises and meditations.

God says in the Bible that if Christians are not "walking in the Spirit", they are "walking in the flesh" (Rom 8:1 - KJV). He also says that Christians who are "walking in the flesh" are considered to be an enemy of His (Rom 8:5-8 - KJV). Author Alan Manson explains in his book *Walking in the Spirit* how the spirit world around us functions and then how the spiritual "organs" we each possess interact together, and from this how the our body's functions in the physical and in the spiritual realms. With this knowledge appreciated, he then explains how Christians should "walk in the spirit" to please God. Throughout

the book, scripture verses are regularly quoted to support the claims being made, so that a Bible scholar as well as a novice can truly grasp the practical meaning of Christian spirituality. Walking in the Spirit is essential reading for any Christian seeking to better understand the Bible; their own spirituality, and from that point onwards - to develop a closer relationship with God. To emphasize this point, Jesus said: "It is THE SPIRIT that quickeneth [or gives 'life']; the flesh profiteth nothing: THE WORDS that I speak unto you, THEY ARE SPIRIT, And THEY ARE [eternal] LIFE." (John 6:63 - KJV)
