The Dream of the Rood, Old English lyric, the earliest dream poem and one of the finest religious poems in the English language, once, but no longer, attributed to Caedmon or Cynewulf. In a dream the unknown poet beholds a beautiful tree—the rood, or cross, on which Christ died. The rood tells him its own story. Forced to be the instrument of the saviour's death, it describes how it suffered ...

Abu Sharif was one of the world's most notorious and dangerous terrorists in the 60's and 70's, acting as "minister of propaganda" for the Popular Front for the Liberation of Palestine (PFLP) and as a recruiter for terrorists like Carlos the Jackal. In 1972, a bomb was

placed in a book and sent to him, leaving him half-blind, deaf in one ear, and almost fingerless. Finally abandoning the use of violence as a means to achieve his Palestinian nationalist aspirations, he aligned himself with Yasser Arafat, eventually becoming one of his closest advisors. In this book, Abu Sharif, often alongside Arafat, takes us behind the scenes of all the major events in the Middle East during the last 30 years, from the secret caves in the West Bank where Arafat hid on his way to Jerusalem in 1967 to the peace negotiations in Oslo in 1993. *Arafat and the Dream of Palestine* combines a deeply personal account, informed by Abu Sharif's close relationship with Arafat, with a gripping, profoundly human history of Palestine.

The Short Sweet Dream of Eduardo Gutiérrez is a towering achievement by one of America's most respected journalists. A work of conscience that travels from San Matías Cuatchatoytla, a small, dusty town in central Mexico, to the cold and wet streets of Williamsburg, Brooklyn, this searing exposé chronicles the life and tragic death of an undocumented worker, along with broader issues of municipal corruption and America's deadly and controversial border policy.

A biography of the Palestinian leader

From Fouad Ajami, an acclaimed author and chronicler of Arab politics, comes a compelling account of how a generation of Arab intellectuals tried to introduce cultural renewals in their homelands through the forces of modernity and secularism. Ultimately, they came to face disappointment, exile, and, on occasion, death. Brilliantly weaving together the strands of a tumultuous century in Arab political thought, history, and poetry, Ajami takes us from the ruins of Beirut's once glittering metropolis to the land of Egypt, where struggle rages between a modernist impulse and an Islamist insurgency, from Nasser's pan-Arab nationalist ambitions to the emergence of an uneasy Pax Americana in Arab lands, from the triumphalism of the Gulf War to the continuing anguished debate over the Israeli-Palestinian peace accords. For anyone who seeks to understand the Middle East, here is an insider's unflinching analysis of the collision between intellectual life and political realities in the Arab world today.

A “provocative and seductive debut” of desire and doubleness that follows the life of a young Palestinian American woman caught between cultural, religious, and sexual identities as she endeavors to lead an authentic life (O, The Oprah Magazine) On a hot day in

Bethlehem, a 12-year-old Palestinian-American girl is yelled at by a group of men outside the Church of the Nativity. She has exposed her legs in a biblical city, an act they deem forbidden, and their judgement will echo on through her adolescence. When our narrator finally admits to her mother that she is queer, her mother's response only intensifies a sense of shame: "You exist too much," she tells her daughter. Told in vignettes that flash between the U.S. and the Middle East—from New York to Jordan, Lebanon, and Palestine—Zaina Arafat's debut novel traces her protagonist's progress from blushing teen to sought-after DJ and aspiring writer. In Brooklyn, she moves into an apartment with her first serious girlfriend and tries to content herself with their comfortable relationship. But soon her longings, so closely hidden during her teenage years, explode out into reckless romantic encounters and obsessions with other people. Her desire to thwart her own destructive impulses will eventually lead her to The Ledge, an unconventional treatment center that identifies her affliction as "love addiction." In this strange, enclosed society she will start to consider the unnerving similarities between her own internal traumas and divisions and those of the places that have formed her. Opening up the fantasies and desires of one young woman caught between cultural, religious, and sexual identities, *You Exist Too Much* is a captivating story charting two of our most intense longings—for love, and a place to call home.

At age 17, Palestinian Tass Saada ran away to become a PLO sniper, onetime chauffeur for Yasser Arafat, and a Muslim immersed in anti-Israeli activity. As a man he moved to America, started a family, and eventually became a Christian. Then he risked retribution as he returned home to share his faith with his family and former boss. Once an Arafat Man is a story of the ultimate triumph of love over hatred, of reconciliation over divisions. It's a story that can inspire us all to overcome the conflicts in our own lives.
