Making interest deductible on deposits held by banks under \$1 billion in assets would provide additional subsidy for small business lending. Without major federal interventions, whole swathes of the small business sector will never return, and entrepreneurship levels could remain depressed for a generation, if not longer. The impact on individual businesses and the communities they serve will be incalculable.

The Small Business Landscape. By definition, a small business is any company that employs fewer than 500 employees or falls beneath an industry-specific annual receipts cap. While this makes for quite a broad pool of organizations, most small businesses are significantly smaller than this, employing no more than a few dozen employees at most.
