~~Amazon.com: Bloodline: Tom Thorne, Book 8 (Audible Audio...~~

Sadly - but inevitably, i suppose - Mark Billingham has never quite managed to capture the excellence of the first two or three in the Tom Thorne series. This isn't bad and has some good moments. However, I have to say that I think he is wrong to narrate his books himself - he's a good writer but I find his

Read Free Bloodline Tom Thorne & Mark Billingham

narration flat and for me it detracts from a proper enjoyment of the book.
