Meyers, Lecturer, Faculty of Law, Thompson Rivers University Here we go again. Ontario Premier Doug Ford is once again threatening to invoke the Canadian Constitution's notwithstanding clause ...

In The Rule of Law, Justice, and Interpretation Luc Tremblay analyses and refutes the positivist legal theory that prevails in Canadian constitutional practice. Using the techniques of critical theory, hermeneutic interpretation, and analytical jurisprudence he shows that the dominant interpretations of the central legal doctrines of the rule of law and the sovereignty of Parliament are incoherent. The analysis opens the way for the construction of a bold alternative theory of legal discourse and practice based on the concept of the rule of law itself.

The Oxford Handbook of the Canadian Constitution provides an ideal first stop for Canadians and non-Canadians seeking a clear, concise, and authoritative account of Canadian constitutional law. The Handbook is divided into six parts: Constitutional History, Institutions and Constitutional Change, Aboriginal Peoples and the Canadian Constitution, Federalism, Rights and Freedoms, and Constitutional Theory. Readers of this Handbook will discover some of the distinctive features of the Canadian constitution: for example, the importance of Indigenous peoples and legal systems, the long-standing presence of a French-speaking population, French civil law and Quebec, the British constitutional heritage, the choice of federalism, as well as the newer features, most notably the Canadian Charter of Rights and Freedoms, Section Thirty-Five regarding Aboriginal rights and treaties, and the procedures for constitutional amendment. The Handbook provides a remarkable resource for comparativists at a time when the Canadian constitution is a frequent topic of constitutional commentary. The Handbook offers a vital account of constitutional challenges and opportunities at the time of the 150th anniversary of Confederation.

Lefroy, A.H.F.A Short Treatise on Canadian Constitutional Law. With an Historical Introduction by W.P.M. Kennedy. Toronto: The Carswell Company, 1918. xlvii, 322 pp. Reprinted 2008 by The Lawbook Exchange, Ltd. ISBN-13: 978-1-58477-777-9. ISBN-10: 1-58477-777-X. Cloth. \$95.\* Conceived for non-Canadian lawyers and students at colleges and law schools, this is a treatise on the constitution that governed Canada from 1867 to 1982, when it achieved complete political independence. The foremost interpreter of the Canadian constitution in his day, Lefroy [1852-1919] was an important Canadian jurist who helped to draft several principal amendments to Canada's constitution. "Mr. Lefroy has written a valuable and informative book. (...) His work, on its scale, is a model for American lawyers to emulate.": H.J.L., Harvard Law Review 32 (1918-19) 583.
