After the initial success, Ford designers and Gale Halderman designed and developed the first fastback Mustangs to compliment the coupes. but she didn't stay one for long. Not once she figured out that hard work, tenacity and blond ambition were a girl's best friend. Of course, having the right husband doesn't hurt, either. But being rich and successful is not all it's cracked up to be. Okay, maybe it is--but life is still tough. Jane is so busy rescheduling her next liposuction, shopping for clothes she doesn't need, and bragging about her latest real estate sale that she hasn't noticed the callus forming around her heart. Her husband is cheating on her, and she talks to her daughter through a therapist. No, life is not perfect. So what

should she do? Jane's not sure, but she figures a drive in her convertible might help her relax. A broken fingernail momentarily diverts her attention, and when she looks up she sees an eighteen-wheeler bearing down on her. Suddenly Jane's problems become incidental. She barely escapes with her life, but not before she makes a solemn promise to "do good" for the rest of her life. So how come "doing good" is so complicated?
