While scholars have long recognized Kierkegaard's important contributions to fields such as ethics, aesthetics, philosophy of religion, philosophical psychology, and hermeneutics, it was usually thought that he had nothing meaningful to say about society or politics. Kierkegaard has been

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

traditionally characterized as a Christian writer who placed supreme importance on the inward religious life of each individual believer. His radical view seemed to many to undermine any meaningful conception of the community, society or the state. In recent years, however, scholars have begun to correct this image of Kierkegaard as an apolitical thinker. The present volume attempts to document the use of Kierkegaard by later thinkers in the context of social-political thought. It shows how his ideas have been employed by very different kinds of writers and activists with very different political goals and agendas. Many of the articles show that, although Kierkegaard has been criticized for his reactionary views on some social and political questions, he has been appropriated as a source of

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

insight and inspiration by a number of later thinkers with very progressive, indeed, visionary political views.

Giorgio Agamben's *Homo Sacer* is one of the seminal works of political philosophy in recent decades. A twenty-year undertaking, this project is a series of interconnected investigations of staggering ambition and scope investigating the deepest foundations of every major Western institution and discourse. This single book brings together for the first time all nine volumes that make up this groundbreaking project. Each volume takes a seemingly obscure and outdated issue as its starting point—an enigmatic figure in Roman law, or medieval debates about God's

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

management of creation, or theories about the origin of the oath—but is always guided by questions with urgent contemporary relevance. The Omnibus Homo Sacer includes:

- 1.Homo Sacer: Sovereign Power and Bare Life
- 2.1.State of Exception
- 2.2.Stasis: Civil War as a Political Paradigm
- 2.3.The Sacrament of Language: An Archeology of the Oath
- 2.4.The Kingdom and the Glory: For a Theological Genealogy of Economy and Glory
- 2.5.Opus Dei: An Archeology of Duty
- 3.Remnants of Auschwitz: The Witness and the Archive
- 4.1.The Highest Poverty: Monastic Rules and Form-of-Life
- 4.2.The Use of Bodies

Apokalyptische Vorstellungen von Untergang und Verheißung, von letzten Dingen und äußersten

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

Wahrheiten, von Endgültigem und noch nie Dagewesenem begleiten die europäische Kulturgeschichte seit mehr als 2000 Jahren. Die vorliegende Reihe Kulturgeschichte der Apokalypse legt eine heterogene und interdisziplinäre Durchmessung des Endzeitdenkens aus historisch-kulturwissenschaftlicher Perspektive vor. Sie betont die einzigartigen Verhaftungen apokalyptischer Diskurse in jeweils zeitgenössischen, epistemischen, medialen und politischen Kontexten und plädiert für den Mut zum Bruch – zum Bruch mit homogenen Lesarten, linearen Denktraditionen und lediglich formalen Rückführungen auf einen apokalyptischen Ursprung. Dabei öffnet sie den Blick in andere religiöse wie geographische Kontexte und lädt zum interdisziplinären Vergleich ein.

Tackling important philosophical questions on modernity – what it is, where it begins and when it ends – Przemyslaw Tacik challenges the idea that modernity marks a particular epoch, and historicises its conception to offer a radical critique of it. His deconstruction-informed critique collects and assesses reflections on modernity from major philosophers including Hegel, Heidegger, Lacan, Arendt, Agamben, and Žižek. This analysis progresses a new understanding of modernity intrinsically connected to the growth of sovereignty as an organising principle of contemporary life. He argues that it is the idea of 'modernity', as a taken-for-granted era, which is positioned as the essential condition for making linear history possible, when it should

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

Instead be history, in and of itself, which dictates the existence of a particular period. Using Hegel's notion of 'spirit' to trace the importance of sovereignty to the conception of the modern epoch within German idealism, Tacik traces Hegel's influence on Heidegger through reference to the 'star' in his late philosophy which represents the hope of overcoming the metaphysical poverty of modernity. This line of thought reveals the necessity of a paradigm shift in our understanding of modernity that speaks to contemporary continental philosophy, theories of modernity, political theory, and critical re-assessments of Marxism.

This book addresses the relevance of the state of exception for the analysis

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

of law, while reflecting on the deeper symbolic and jurisprudential significance of the coalescence between law and force. The concept of the state of exception has become a central topos in political and legal philosophy as well as in critical theory. The theoretical apparatus of the state of exception sharply captures the uneasy relationship between law, life and politics in the contemporary global setting, while also challenging the comforting narratives that uncritically connect democracy with the tradition of the rule of law. Drawing on critical legal theory, continental jurisprudence, political philosophy and history, this book explores the genealogy of the concept of the state of exception and reflects on its legal embodiment in past and present contexts – including Weimar and Nazi Germany,

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

contemporary Europe and Turkey. In doing so, it explores the disruptive force of the exception for legal and political thought, as it recuperates its contemporary critical potential. The book will be of interest to students and scholars in the field of jurisprudence, philosophy and critical legal theory.

This volume is a collection of the chapter presentations contributed by participants in the 4th Global Conference on Evil, Law & the State: Issues in State Power and Violence. The conference drew together a number of scholars from different backgrounds: law, politics, philosophy, religious studies, literature and cinema.

Characters in some languages, particularly Hebrew and Arabic, may

not display properly due to device limitations. Transliterations of terms appear before the representations in foreign characters. This is an encyclopedic dictionary of close to 400 important philosophical, literary, and political terms and concepts that defy easy—or any—translation from one language and culture to another. Drawn from more than a dozen languages, terms such as Dasein (German), pravda (Russian), saudade (Portuguese), and stato (Italian) are thoroughly examined in all their cross-linguistic and cross-cultural complexities. Spanning the classical, medieval, early modern, modern, and contemporary periods, these are terms that influence thinking across the humanities. The entries, written by more than 150 distinguished scholars, describe the origins and meanings of

Acces PDF Homo Sacer II Potere Sovrano E La Nuda

each term, the history and context of its usage, its translations into other languages, and its use in notable texts. The dictionary also includes essays on the special characteristics of particular languages--English, French, German, Greek, Italian, Portuguese, Russian, and Spanish. Originally published in French, this one-of-a-kind reference work is now available in English for the first time, with new contributions from Judith Butler, Daniel Heller-Roazen, Ben Kafka, Kevin McLaughlin, Kenneth Reinhard, Stella Sandford, Gayatri Chakravorty Spivak, Jane Tylus, Anthony Vidler, Susan Wolfson, Robert J. C. Young, and many more. The result is an invaluable reference for students, scholars, and general readers interested in the multilingual lives of some of our most
