This book will give you the Inside Secrets of how the rich get richer by investing in entrepreneurs, funding innovation, and generating job growth. Everything we know about investing in private companies, owning a part of multiple companies without operating them, has changed. Never before has there been a better time to invest in private companies to help bring innovation to the market, create jobs, and create wealth. We call that Compassionate Capitalism. One Inside Secret: The point is that the wealthy smart investor, the "millionaire next door," has already made his or her money before the public knows the company exists to put their order into their stockbroker. He or she is an active Angel Investor that invests in private companies, in addition to real estate and public stocks. The buzz is about Crowdfunding. Angel Investing is more than that. Angel Investing can create passive income, even generational wealth if you learn to invest like a venture capitalist - with discipline and specific intent. Why buy this book? This book provides a step-by-step approach to finding, evaluating, and making an angel investment in private companies before they go public or grow big enough to be acquired. It is chock full of Inside Secrets based on Karen's 15 years' experience and conversations with hundreds of investors - 44 Inside Secrets to be exact. Get complimentary membership in the National Network of Angel Investors and gain exclusive access to the Investor Resource portal with tools you will use as part of your investor journey - worth over \$900. A glossary is included to help you learn the Lingo - hundreds of terms to be 'in the know'. Invest with confidence as you add this highly lucrative asset class to your investment portfolio. Karen will take you through the history of angel investing, the economic impact and the trends that drive the market, and even the regulations that create a bubble or pop it. She describes the role that angel investors can play in an entrepreneur endeavor, depending on the amount of time and money they have available to invest. Karen has even made the whole process of finding deals, evaluating them, and ultimately closing the deal easy to understand by comparing it to how we find a mate - from introduction, to the first date, courtship and ultimately marriage -or not!). With over 300 pages, this book is full of practical information, keen insights, applicable quotes from industry experts, and detailed next steps in each chapter. If you have thought about diversifying your investment portfolio beyond real estate and traditional stocks & bonds, and desire to have a real impact on bringing innovation to the market and creating jobs as a crowdfund investor or angel investor, this book is a must have.

Achieve annual returns of 25% or more with a well-designed angel portfolio Written by David S. Rose, the founder of Gust--the global platform that powers the world of organized professional angel investing--Angel Investing is a comprehensive, entertaining guide that walks readers through every step of the way to becoming a successful angel investor. It is illustrated with stories from among the 90+ companies in which David has invested during a 25 year career as one of the world's most active business angels and includes instructions on how to get started, how to find and evaluate opportunities, and how to pursue and structure investments to maximize your returns. From building your reputation as a smart investor, to negotiating fair deals, adding value to your portfolio companies and helping them implement smart exit strategies, David provides both the fundamental strategies and the specific tools you need to take full advantage of this rapidly growing asset class. He details the advantages of joining an angel group, explains how seed and venture funds can help leverage an investor's resources, and reveals how recent regulatory changes and new online platforms are making startup investing accessible to millions of Americans. Making money is no longer about sitting back and reading stock listings, David says. It is now about being part owner of an exciting startup that can be fun and financially rewarding. Angel Investing teaches investors how to carefully select and manage investments, establish a long term view, and approach angel investing as a serious part of an alternative asset portfolio while also enjoying being an integral part of an exciting new venture.

One of Silicon Valley's most successful angel investors shares his rules for investing in startups. There are two ways to make money in startups: create something valuable--or invest in the people that are creating valuable things. Over the past twenty-five years, Jason Calacanis has made a fortune investing in creators, spotting and helping build and fund a number of successful technology startups--investments that have earned him tens of millions of dollars. Now, in this enlightening guide that is sure to become the bible for twenty-first century investors, Calacanis takes potential angels step-by-step through his proven method of creating massive wealth: startups. As Calacanis makes clear, you can get rich--even if you came from humble beginnings (his dad was a bartender, his mom a nurse), didn't go to the right schools, and weren't a top student. The trick is learning how angel investors think. Calacanis takes you inside the minds of these successful moneymen, helping you understand how they prioritize and make the decisions that have resulted in phenomenal profits. He guides you step by step through the process, revealing how leading investors evaluate new ventures, calculating the risks and rewards, and explains how the best startups leverage relationships with angel investors for the best results. Whether you're an aspiring investor or a budding entrepreneur, Angel will inspire and educate you on all the ins of outs. Buckle up for a wild ride into the world of angel investing!

There's a good chance that you have heard of Sachin Bansal (of Flipkart), Navin Tiwari (of InMobi), Bhavish Agarwal (of Ola) and Ritesh Agarwal (of Oyo). They are Indian start-up founders who have achieved celebrity status with their business success. But, have you heard of Ashish Gupta, Sasha Mirchandani, or Anupam Mittal? They are angel investors who funded start-ups like Flipkart, InMobi and Ola in their early years. Their little investments helped build legendary companies and yielded life-changing returns. Welcome to the exciting world of angel investing and entrepreneurship. Using his rich experience as an investor and mentor to numerous start-ups, Sanjay Kulkarni provides you a ringside view of this world. In an accessible, jargon- free approach and illustrated with insider stories, the book arms you with all the tools and strategies needed to become a successful angel investor. Like a good guide, this book will help you in navigating the start-up eco-system, avoiding common pitfalls, investing smartly and identifying the next billion-dollar start-up. Look back twenty-five years, Flipkart, Ola, InMobi, weren't even born. A whole new wave of start-ups is set to define the next twenty-five years. Would you like to be a part of this revolution?

Are you an entrepreneur, venture capitalist or startup investor? Or are you an investor who wants to get into venture capital and startup investments? What if you had the opportunity to be a startup investor in the next Facebook, Uber, Google or Airbnb? Now, you can invest in top startups and entrepreneurs like Elon Musk, Steve Jobs and Bill Gates. For years, angel investing and venture capital have been behind closed doors with the same individuals and VC firms getting access to top deals. The majority of accredited investors had no idea how to get in... until now. Kings Over Aces gives you an inside look at how you too can invest in startups and put your investment capital to work. We show you how to invest in startups from incubators like Y Combinator, 500 Startups, TechStars and AngelPad. There are many billion dollar startups across the country waiting for entrepreneurs like you to invest. You'll also learn about Angel Kings' proprietary formula on startup investing. This secret formula is changing the way private equity and venture capital investments happen. Whether you're a new angel investor, venture capitalist, accredited investor, private equity investor, startup founder, or just someone who wants to learn about the hottest emerging deals and how you can get access, read Kings Over Aces... you might just make a lot of money investing in companies you love. If you've been sitting on the sidelines, it's time to get in the game. Instead of hearing about that next big deal and how your friend made money because he invested "early in X," now is your time to profit from the astronomical rise in startup and VC investing. Entrepreneurs are ready to meet venture capitalists just like you. We discuss investing concepts like the Lean Startup method by Eric Ries, discuss how to beat investors from shows like ABC's "Shark Tank," and provide detailed analysis of startups metrics such as cash flow, revenue, burn rate, exponential growth and company valuations. In addition, we analyze startups from Angel List, which is a growing platform for investing under the SEC's JOBS Act. You too can be the next billionaire startup investor.

An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, Venture Capital Financings puts this discipline in perspective and lays out the strategies that allow entrepreneurs to excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the world of venture capital The venture capital arena is a complex and competitive place, but with this book as your guide, you'll discover what it takes to make your way through it.

Startup investors are achieving 20%, 40%, and higher rates of return. Whether you're investing in early-stage companies, raising capital for your startup, or just interested in how angel investors really make their money, Startup Wealth will unravel the mystery surrounding individuals investing their own money into early stage startups.

We are all using dangerous, outdated, old economic strategies to protect and grow our money in the so-called 'new economy.' Most of us don't even know it. Every economy is, in some sense, 'new.' However, applying the rules from an 'older' economy to a 'newer' one during times of transition is a recipe for financial ruin.Economic transitions have been around for centuries . . . the difference is that now they are worldwide in scope and affect everything rather than local in nature with limited affects.While you sleep at night, while you go to work each day, something insidious is actually stealing your financial future. It isn't anyone's fault really. There is a massive reallocation of wealth as we transition into the new economy.There are two sides to this story. Because of the changing rules of money, the greatest transfer of wealth in the nation and the world is now unfolding. Money is about to flow away from the financially uninformed and flow towards the financially well-informed in the years ahead.This is nothing new, really. Money has always worked this way. The good news is that average members of the public now have more ways than ever before to understand this process and to take appropriate action.I am sure you are aware of the rising price of gold that's been going on for almost 10 years now. Most recently, gold started climbing with even greater speed. History repeats itself again and again. Whenever governments start to dilute their money investors transfer their money into gold. Gold has intrinsic value and will always prevail in any economy.What most non-investors and investors -- including yourself -- probably you don't realize is that although gold is a great way to preserve your wealth, it's silver that could actually make you rich!The price of gold has already risen dramatically, but silver is just beginning its climb.Nine Reasons Why Silver is a Unique Wealth Building Instrument - Silver, like gold, has intrinsic value- Silver has been in a commodity bull cycle since 2000- Silver is a safe hedge against currency inflation- Silver is a security choice during times of financial crisis- Silver is rarer than gold- Silver is used in 90% of all electronics -- and its mostly non-renewable- Silver inventories are very low- Silver leasing -- the scam will be exposed soon- Silver investment markets are expanding thanks to the ChineseWhat You Will Learn From Building Wealth with SilverYou will discover why the Federal Reserve was created and why you and I have been kept in the dark about its true purpose. You will find out why the U.S. dollar is quietly being destroyed without fanfare and the reason this process is being publicly denied and covered up. You will see why unemployment numbers, along with many other economic figures, are rigged, and how we're are being lied to about their true significance.The insights you get from the first few chapters alone can change your life. Even if you were to study at Harvard for five years -- which would cost you, by the way, over \$95,000 -- you would not have the knowledge you need to get any closer to this kind of insider information.Learn why silver is the best investment opportunity right now.Get the facts on silver production and consumption, and all the details behind silver's projected five- to eight-fold increase over the next several months.
