Java Enterprise in a Nutshell: A Practical Guide (In a ...

Java 11 is also the first long-term support (LTS) release of Java since Java 8, so it seems likely that many Java shops will jump straight to Java 11 from Java 8. With the seventh edition we have tried to update the concept of what it means to be a "Nutshell" guide. The modern Java developer needs to know more than just syntax and APIs.
