2014 marked the 25th anniversary of the first bout in the epic battle between Nigel Benn, Michael Watson and Chris Eubank to contest the WBO Middleweight Championship that would keep us entertained for five manic, magnificent and ultimately tragic years, marking the start of an epic saga in British Boxing. The fight took place a month after the Hillsborough disaster and was screened live on TV, in a slot now dominated by talent contests. It was a time when kids could stay up late to watch 12 rounds of madness. It was also the last Golden Era of British Boxing. While for us these greats of British boxing provided entertainment away from the hooliganism of football, for them it was much more personal. Rivalries exist in every sport, but their loathing was real and in the ring it nearly became deadly. But this is what the swaggering early-90's Britain tuned in for. These three fighters were Britain's alpha-ego. They made the country proud. No Middle Ground takes us back to the years when these boxers pounded the heavy bags and tells their story as well as that of Britain's love affair with the sport, and how these fight came to define them and us. In tracing the boxers' journeys to centre-stage Sanjeev Shetty reveals the story of the dark side of Thatcher's nation - the blood, the sweat, the dangerous hatred that fuelled these men, and the ultimate price they would pay for their moment in the sun.

WINNER OF THE 1996 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE: In the early 1990s, Donald McRae set out to discover the truth about the intense and forbidding world of professional boxing. Travelling around the States and Britain, he was welcomed into the inner sanctums of some of the greatest fighters of the period - men such as Mike Tyson, Chris Eubank, Oscar de la Hoya, Frank Bruno, Evander Holyfield and Naseem Hamed among them. They opened up to him, revealing unforgettable personal stories from both inside and outside the ring, and explaining why it is that some are driven to compete in this most brutal of sports, risking their health and even their lives. The result is a classic account of boxing that remains as fresh and entertaining as when it was first published almost 20 years ago. McRae approaches his subjects with wit, compassion and insight, and the result was a book that was a deserved winner of the William Hill Sports Book of the Year prize.

Ken Gorman has gathered together a superb collection of fight reports, personal testimonies and reminiscences from some of the greatest boxers the world has ever seen. Spanning over four decades, this book features forty breathtaking encounters. Was there ever a more stunning victory than that of Steve Robinson, who won a world title with only two days' notice? Was anything more astonishing than the triumph of Lloyd Honeyghan, or more shocking than the punch from hell that made the world aware of the potent threat of Lennox Lewis? What about that incredible first round when Marvin Hagler met Tommy Hearns in Las Vegas, or the awesome raw power displayed in the famous Rumble in the Jungle?

From sleazy gyms to ringside at Madison Square Garden, Ring Ramblings takes you deep into the heart of boxing.
