Prepare for success on your HESI exit exam and the NCLEX-RN? HESI Comprehensive Review for the NCLEX-RN? Examination, 4th Edition provides a comprehensive, all-in-one review of the information you need to know. Written in an easy-to-read outline format, this study tool breaks down chapters by clinical areas and concepts emphasized on the NCLEX-RN exam. Rationales are provided for any incorrect answers or areas of weakness. The companion Evolve website offers 700 practice questions, giving you valuable practice in the same electronic testing format you will experience on your nursing school exit exam and on the NCLEX-RN exam.

Leading and Managing in Nursing, 5th Edition -- Revised Reprint by Patricia Yoder-Wise successfully blends evidence-based guidelines with practical application. This revised reprint has been updated to prepare you for the nursing leadership issues of today and tomorrow, providing just the right amount of information to equip you with the tools you need to succeed on the NCLEX and in practice. Content is organized around the issues that are central to the success of professional nurses in today's constantly changing healthcare environment, including patient safety, workplace violence, consumer relationships, cultural diversity, resource management, and many more. "... at for all nursing students and nurses who are working towards being in charge and management roles." Reviewed by Jane Brown on behalf of Nursing Times, October 2015 Merges theory, research, and practical application for an innovative approach to nursing leadership and management. Practical, evidence-based approach to today's key issues includes patient safety, workplace violence, team collaboration, delegation, managing quality and risk, staff education, supervision, and managing costs and budgets. Easy-to-find boxes, a full-color design, and new photos highlight key information for quick reference and effective study. Research and Literature Perspective boxes summarize timely articles of interest, helping you apply current research to evidence-based practice. Critical thinking questions in every chapter challenge you to think critically about chapter concepts and apply them to real-life situations. Chapter Checklists provide a quick review and study guide to the key ideas in each chapter, theory boxes with pertinent theoretical concepts, a glossary of key terms and definitions, and bulleted lists for applying key content to practice. NEW! Three new chapters - Safe Care: The Core of Leading and Managing, Leading Change, and Thriving for the Future - emphasize QSEN competencies and patient safety, and provide new information on strategies for leading change and what the future holds for leaders and managers in the nursing profession. UPDATED! Fresh content and updated references are incorporated into many chapters, including Leading, Managing and Following; Selecting, Developing and Evaluating Staff; Strategic Planning, Goal Setting, and Marketing; Building Teams Through Communication and Partnerships; and Conflict: The Cutting Edge of Change. Need to Know Now bulleted lists of critical points help you focus on essential research-based information in your transition to the workforce. Current research examples in The Evidence boxes at the end of each chapter illustrate how to apply research to practice. Revised Challenge and Solutions case scenarios present real-life leadership and management issues you'll likely face in today's health care environment.

Passing the HESI Admission Assessment Exam is the first step on the journey to becoming a successful healthcare professional. Be prepared to pass the exam with the most up-to-date HESI Admission Assessment Exam Review, 5th Edition! From the testing experts at HESI, this user-friendly guide walks you through the topics and question types found on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions as well as step-by-step explanations, illustrations, and comprehensive practice exams to help you review various subject areas and improve test-taking skills. Plus, the pre-test and post-test help identify your specific weak areas so study time can be focused where it's needed most. HESI Hints boxes offer valuable test-taking tips, as well as rationales, suggestions, examples, and reminders for specific topics. Step-by-step explanations and sample problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions.

This series presents innovations in nursing education, written in an easy-to-read manner with a focus on practical information for teachers. Presented by the nurse educators pioneering these advances and focused on the practice of teaching across settings, this review is written for nurse educators in associate, baccalaureate, and graduate nursing programs, staff development, and continuing education. Volume 3 presents a rich array of strategies and experiences that can enrich your teaching.

A comprehensive, all-in-one review of the information you need to know to pass your nursing exams! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN® Examination, 6th Edition prepares you for success on both the HESI exit exam and the NCLEX-PN®. This trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-PN® exam, so you can easily search for various topics to review. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 750 practice questions, including alternate item formats, in both study and exam modes to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-PN® exam. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-PN® exam. 750 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the HESI exit exam and the NCLEX-PN® exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-PN® exam. Critical thinking study questions with rationales reinforce key concepts and content. Chapters organized by clinical area enable you to easily search for various topics to review. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Thoroughly updated content incorporates clinical updates and reflects the latest NCLEX-PN® test plan. EXPANDED! 200 additional NCLEX practice questions on the Evolve site assist you with practice.

Initiating and Sustaining the Clinical Nurse Leader Role: A Practical Guide by James L. Harris and Linda Roussel is the only resource to focus solely on the Clinical Nurse Leader and is designed to teach both CNL students and faculty who lead CNL programs everything they need to know. The CNL designs, implements, and evaluates client care by coordinating, delegating and supervising the care provided by the health care team, including licensed nurses, technicians, and other health professionals. This text serves as a practice guide for preparing the CNL and provides real world tools and processes.

HESI/Saunders Online Review for the NCLEX-RN Examination, 2nd Edition, provides all of the aspects of a traditional print comprehensive review book, but with the convenience and added interactivity of the online format. The comprehensive online review provides key nursing content organized by content specialty areas and NCLEX Client Needs, with a reference list for nursing concepts. A diagnostic pre-test taken at the beginning of the course provides students with a study calendar to guide them through the content modules. Each module is followed by a quiz to determine students' mastery of the content. A comprehensive exam at the end of the course gives students a breakdown of their strengths and weaknesses. A wealth of illustrations, video, audio, and animation helps to clarify key concepts and engage students as they study for the course exams and prepare to take the NCLEX. Trusted content from the bestselling Silvestri NCLEX titles and HESI live review courses is featured in a convenient, interactive, and flexible online format. Content review modules include bulleted topic summaries, key terms and definitions, practice questions, and case studies-as well as images, animations, and video clips. All alternate item question types are represented to give you practice with mastering prioritizing, decision-making, and critical thinking skills. Diagnostic pre-test identifies your strengths and weaknesses and generates a study plan tailored to your specific needs. End-of-module and comprehensive exams provide a "dry run" for course and board exams. Detailed test-taking strategies and rationales for each question provide clues for analyzing and uncovering the correct answer option. Video clips feature experienced nursing instructors explaining difficult concepts along with corresponding sample questions. NEW! Updated content reflects the most current NCLEX-RN test plan as well as clinical updates and medications. NEW! Content functionality enables you to approach content in the way that best fits your program and goals. NEW! 200 new questions that focus on alternate item types, pharmacology, and prioritization. NEW! Narrated PowerPoint reviews cover challenging topics such as pharmacology, fluids and electrolytes, and acid-base balance. NEW and EXPANDED! Leadership, delegation, and prioritization content reflects the increasing emphasis on management on the NCLEX-RN exam.

Nursing Leadership & Management, Fourth Edition provides a comprehensive look at the knowledge and skills required to lead and manage at every level of nursing, emphasizing the crucial role nurses play in patient safety and the delivery of quality health care. Presented in three units, readers are introduced to a conceptual framework that highlights nursing leadership and management responsibilities for patient-centered care delivery to the patient, to the community, to the agency, and to the self. This valuable new edition: Includes new and up-to-date information from national and state health care and nursing organizations, as well as new chapters on the historical context of nursing leadership and management and the organization of patient care in high reliability health care organizations Explores each of the six Quality and Safety in Nursing (QSEN) competencies: Patient-Centered Care, Teamwork and Collaboration, Evidence-based Practice (EBP), Quality Improvement (QI), Safety, and Informatics Provides review questions for all chapters to help students prepare for course exams and NCLEX state board exams Features contributions from experts in the field, with perspectives from bedside nurses, faculty, directors of nursing, nursing historians, physicians, lawyers, psychologists and more Nursing Leadership & Management, Fourth Edition provides a strong foundation for evidence-based, high-quality health care for undergraduate nursing students, working nurses, managers, educators, and clinical specialists.

Help alleviate your pre-test jitters with this essential nursing resource! Written by the most trusted experts in NCLEX® prep, Saunders 2020-2021 Strategies for Test Success, 6th Edition introduces tools for overcoming text anxiety and tactics for developing effective study habits. Essentially, it teaches you how to master the things that matter most on your nursing school exams: critical thinking, problem solving, and time management. This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment.
