Amazon.com: Shadow, Self, Spirit: Essays in Transpersonal ... What is the Shadow Self? On the other hand, the Shadow Self is an archetype that forms part of the unconscious mind and is composed of repressed ideas, instincts, impulses, weaknesses, desires, perversions, and embarrassing fears. This archetype is often described as the darker side of the psyche, representing wildness, chaos, and the unknown. Jung believed that this latent energy is present in all of us, in many instances forming a strong source of creative energy.
