Simon Sinek: How great leaders inspire action | TED Talk

The more Simon started to understand the difference between finite and infinite games, the more he began to see infinite games all around us. He started to see that many of the struggles that organizations face exist simply because their leaders were playing with a finite mindset in a game that has no end. The leaders who embrace an infinite mindset, in stark contrast, build stronger, more innovative, more inspiring organizations.

The golden circle. The golden circle diagram, redrawn from Start with Why. Sinek says people are inspired by a sense of purpose (or "Why"), and that this should come first when communicating, before "How" and "What". Sinek calls this triad the golden circle, a diagram of a bullseye (or concentric circles or onion diagram) with "Why" in the innermost circle (representing people's motives or purposes), surrounded by a ring labeled "How" (representing people's processes or methods), enclosed in ...
