TV, radio, traffic, telephones, pagers - our minds are bombarded daily by constant noise and clutter. No wonder so many people find it increasingly difficult to listen and comprehend. Simple pieces of information such as names go "in one ear and out the other." Poor listening may have tragic consequences such as the Challenger disaster and the Potomac River crash of 1982, or it can result in smaller tragedies such as lost promotions, stalled marriages, and troubled children. Rebecca Shafir assures us that we can transform every aspect of our lives, simply by relearning how to listen. The Zen of Listening is grounded in the Zen concept of mindfulness, a simple yet profound way of learning how to filter our distractions and be totally in the present. Rather than a list of tricks, this book is an all-encompassing approach allowing you to transform your life. Readers will be amazed at how simply learning to focus intently on a speaker improves the relationship, increases attention span, and helps develop negotiating skills. Learn the great barricades of misunderstanding, find out how to listen to ourselves, discover how to listen under stress, and boost our memory. This is a fun and practical guide filled with simple strategies to use immediately to enjoy our personal and professional lives to the fullest.

Protection and Switchgear is designed as a textbook for undergraduate students of electrical and electronics engineering. With cryptic secrets and cravings, this eighth installment in the popular Vampire Kisses series is a romantic and mysterious thrill ride. Jagger plans to open a new club in Dullsville. But is it Raven's dream come true or a nightmare? The morbidly monotonous Dullsville has finally become the most exciting place on earth, now that Raven is madly in love with Alexander and a crew of vampires has taken up residence in Dullsville's old mill. But Raven can't decide whether Jagger's plan to open a new club, the Crypt, is a good one. Can Raven convince Jagger to listen to her plans to make the Crypt the morbidly magnificent party space it could be? Will it be safe for mortals and vampires alike? And as Sebastian and Luna's relationship heats up, Raven wonders about her own amorous fate: Will Alexander ever turn her? Does he crave her and does he want to spend eternity together? And what does she really want?
