Dispensationalism is a kind of framework for history that is organized around seven dispensations—seven orders or

administrations. Particular to this framework is the eschatological position known as “premillennial dispensationalism” which holds that Christ will return prior to a literal one-thousand-year reign on earth.

The Reverend Clarence Larkin was one of the most widely influential pop theologians of

the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book—perhaps his greatest work—is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, *Dispensational Truth* covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the

Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

This superb and time-tested analysis and study by Clarence Larkin examines in detail, and explains with the truest clarity, the

Biblical Book of Daniel. Having spent his life in service of God as a minister, and much of his time deeply vested in contemplation and study of the Biblical canon, Clarence Larkin placed himself in a prime position to evaluate and explain some of the more complex passages of the scripture. Naturally blessed with a readable and flowing style of writing, Larkin enlightened countless thousands of Christians during his lengthy career. In this book, we receive a passage-by-passage, line-by-line examination of the Book of Daniel. No detail or phrase is passed over, and the reader may

be assured that Larkin pays the closest attention in explaining this important yet difficult to understand part of the Holy Bible. Larkin was moved to author this and several other books after receiving word from his flock and fellow believers of the difficulties they had reading and interpreting such texts. The chapters are divided into the major episodes underpinning the Book of Daniel. Events such as the dream of Nebuchadnezzar and the calamitous Fall of Babylon receive close narration, while the famous image of Daniel in the Lion's Den benefits greatly from the clarifying

commentary of Larkin. This edition of Larkin's Book of Daniel includes all of the intricate charts and illustrations for which the author became famous. Several of these are very large and detailed images with large, small and tiny instances of text, and it is doubtless necessary to use a magnifying glass to fully scrutinize them. Vital to Larkin's explanations, they set out visually the principles that this book exists to clarify for the reader.

How do the Old and New Testaments relate to each other? What is the relationship among

the biblical covenants? In this volume in IVP Academic's Spectrum series, readers will find four contributors who explore these complex questions, each making a case for their own view and responding to the others' views to offer an animated yet irenic discussion on the continuity of Scripture.

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book

serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

Often identified as a proponent of Hyper-dispensationalism - which recognizes a clear distinction between the Church and Israel and believes that the Christian Church began with the ministry of the Apostle Paul - E.W. Bullinger here attempts to examine the basis of dispensational truth as found in Paul's Epistles. In doing so, he hopes to clarify "the dividing of the Word of Truth at Acts 28" for those searching for a greater

understanding of their beliefs. Controversial in the eyes of traditional Christianity, this defining work is of value to Christian and Jewish scholars alike. British clergyman ETHELBERT WILLIAM BULLINGER (1837-1913) was one of the most respected Bible scholars of the 19th century. He is author of numerous works including Commentary on Revelation, Great Cloud of Witnesses, and How to Enjoy the Bible.

Dispensationalism continues to provoke heated debate within the Christian world. Highly acclaimed theologian, Dr. Charles C. Ryrie,

addresses this crucial issue from the perspective of classic dispensationalism. He confronts the views of covenant theology, historical premillennialism, ultradispensationalism, and, in this revised edition, the increasingly popular progressive dispensationalism. In his best-selling book, *Dispensationalism Today*, written more than thirty years ago, Dr. Ryrie made this complex subject more understandable for thousands worldwide. This revised and expanded version of that book will prove to be an invaluable reference tool for your library.

Clarence Larkin was a famous Baptist pastor during the late 1800s and early 1900s. As a Bible teacher and author, he is mostly known for his works on Dispensationalism, which considers biblical history, as well as the future of all creation and mankind's role on earth, as divided into "ages." (Within this context, "ages" are specific periods of time that God has set in motion that will ultimately reach their climatic end at the Great White Throne judgment—the moment when God will judge everybody that has ever lived according to their works, followed by their destiny in Heaven or Hell.) Larkin's books,

charts, and wood cuts greatly influenced Protestant conservatives in early America as well as Church evangelism throughout the twentieth century. Larkin was born in 1850 and became a Christian at the age of nineteen. He later joined the Episcopal Church but eventually left that denomination to become a Baptist pastor. He espoused many ideas from premillennialist theology, which was rapidly growing in popularity among early evangelicals at the time, drawn from major prophetic concepts shared by C.I. Scofield, William Eugene Blackstone, and John Nelson Darby. Larkin created original, detailed,

prophetical wall charts to use while teaching his convictions around these ideas from the pulpit. This unique approach quickly became so popular that articles based on his teachings were published in the Sunday School Times, and soon, invitations for him to explain his ideas involving eschatology—the future and end-times prophecy—began coming in from across America and around the world. Starting in 1918, he published his first masterpiece, *Dispensational Truth (or God's Plan and Purpose in the Ages)*, but high demand for his works quickly resulted in the additional titles, *Rightly Dividing the Word*
