The True Gospel. As this age draws to a close, the religious scene in the Western world is in chaos. Decades of secularist thought have taken a heavy toll on those societies that were formally quite religious and moral. The state of Western Christianity has become so secular that missionaries from Africa, South America, and Asia are trying to preach the gospel to Europe and America!

When one sees Christ as he is portrayed truly in the gospel, there shines forth a spiritual light that is a self-authenticating. This is "the light of the knowledge of the glory of God" (2 Corinthians 4:6), and it is as immediately perceived by the Spirit-awakened heart as light is perceived by the open eye.

In Galatians 1:6-9, Paul warns us of false gospels. The real gospel is based on Christ alone, faith alone, grace alone, is found in Scripture alone, and is for the glory of God alone. There is only one true gospel, but there are countless false gospels that have come and gone through the ages. But what about today?

Its true meaning comes from the Bible. Covenant Genesis 9:12-15 states: “And God said, “This is the sign of the covenant I am making between me and you and every living creature with you, a covenant for all generations to come: I have set my rainbow in the clouds, and it will be the sign of the covenant between me and the earth.

The real gospel message is that salvation is by grace through faith (Rom. 6:23)—not faith and something you do like baptism or faith and speaking in tongues or faith and going to a Oneness church, etc. True salvation is freedom from the requirement of keeping any part of the Law to get or maintain salvation.

Meaning of “Gospel” The word gospel is an old English word meaning “god spell” or good news. The word kingdom is also an old English term, simply meaning “government.” Therefore, it is accurate to say that Christ preached “the good news of the government of God.”

**Which Is the True Gospel?—Restored Church of God**

Answer: The true gospel is the good news that God saves sinners. Man is by nature sinful and separated from God with no hope of remedying that situation. But God, by His power, provided the means of man’s redemption in the death, burial and resurrection of the Savior, Jesus Christ. The word “gospel” literally means “good news.”

Paul also tells us that true Christians—those who compose the true Church—are "fellow citizens with the saints and members of the household of God, having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief cornerstone" (Ephesians 2:19–20).

With piercing prophetic insight this book exposes the fallacies and shortcuts in the modern gospel and calls us back to Jesus and the cross. Its message reveals why so many Christians and churches today lack power, endurance, and character. Written in the spirit, style, and plainness of speech of the old timers, it breathes into today's shallow gospel the life of the spirit of holiness, giving us fresh eyes on old truths. This is a critical book for the hour - a real wake up call to all. Backed by an abundance of scripture The Real Gospel is as truthful as it is radical.

“This may be the most influential book you will read this year.” —Lee Strobel, bestselling author of The Case for Miracles A Movement Seeks to Redefine Christianity. Some Think that It Is a Much-Needed Progressive Reformation. Others Believe that It Is an Attack on Historic Christianity. Alisa Childers never thought she would question her Christian faith. She was raised in a Christian home, where she had seen her mom and dad feed the hungry, clothe the homeless, and love the outcast. She had witnessed God at work and then had dedicated her own life to leading worship, as part of the popular Christian band ZOEgirl. All that was deeply challenged when she met a progressive pastor, who called himself a hopeful agnostic. Another Gospel? describes the intellectual journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith. After everything she had ever believed about God, Jesus, and the Bible had been picked apart, she found herself at the brink of despair . . . until God rescued her, helping her to rebuild her faith, one solid brick at a time. In a culture of endless questions, you need solid answers. If you or someone you love has encountered the ideas of progressive Christianity and aren’t sure how to respond, Alisa’s journey will show you how to determine—and rest in—what’s unmistakably true.

A New York Times Bestseller! "Who do you say that I am?" Uttered by Jesus Christ, this profound question has presented an age-old challenge to believers, skeptics, scholars, and rulers. In attempting to answer this question, The True Jesus goes straight to the unimpeachable source: the books of Matthew, Mark, Luke, and John. Only in the Gospels, says #1 New York Times bestselling author David Limbaugh, do we come face-to-face with the Son of God, whose sublime teachings, miraculous actions, and divine essence leap off every page and into our hearts. In this book, Limbaugh combines the four Gospel stories into a unified account (though not, he humbly admits, a perfect harmony) and guides readers on a faith journey through the Four Evangelists' testimonies of the life of Jesus Christ. Along the way, Limbaugh shares his insights on Jesus' words and deeds as well as His unique nature as fully human and fully divine. In The True Jesus, you will learn: - Why even the apostles failed to completely understand Jesus' true identity and mission until after His crucifixion - The real basis for the rejection of Jesus' message by skeptics in His hometown and elsewhere - The historical events preceding Jesus' birth that providentially paved the way for Christianity - How Jesus' message utterly contradicted modern attempts to portray Him as being non-judgmental Limbaugh's passion for the Gospels infuses the pages of The True Jesus, which is both a primer for new Bible readers and an outstanding guide to the Gospels for long-time believers. Who really is the true Jesus? Open this book and begin your odyssey toward the answer.

The apostle Paul gave the gospel the first place in his preaching, endeavored with all his might to proclaim it clearly, and even went so far as to pronounce a curse upon all those who would pervert its truth. Yet how sad it is that many, even among those considering themselves evangelicals, have reduced the gospel message to a few trite statements to be repeated, and view conversion as a mere human decision. In The Gospel Call and True Conversion, Paul Washer challenges such easy believism as he examines the real meaning of things like faith, repentance, and receiving Christ. He also deals extensively with the effects of saving grace that God promises in the new covenant; namely, the creation of new hearts and new people. "In an age awash with easy believism, we need voices like Paul Washer's that remind us of The Gospel Call and True Conversion. We are all tempted to believe that we are 'beyond the basics' and in need of something more something new. However, Washer reminds us that there is nothing more important and more relevant than getting the gospel right, making the gospel clear, and trusting that gospel to do its work of calling, saving, and securing a people to God and for God. Praise God for the gospel and books like this that help us know, understand, and love it more deeply. Voddie Baucham, pastor of preaching at Grace Family Baptist Church in Spring, Texas, and author of The Ever-Loving Truth

Recommended by Professors From: Ligonier Ministries, Westminster Seminary, Southern Baptist Theological Seminary, and Reformed Theological Seminary. "Evangelicals love the evangel-- the gospel-- and they love to share it. Trouble is they don't always know the gospel, and they don't always proclaim the true gospel. This clear, comprehensive, and compelling book reminds us just how good the Good News is. It will help Christians, churches, and church leaders know, love, and proclaim the true life-giving gospel of Jesus Christ. Read this book-- and then go tell it on a mountain." Stephen J. Nichols, Ph.D., President of Reformation Bible College, Chief Academic Officer of Ligonier Ministries "A clear and biblical guide to the doctrine of soteriology that's deeply theological and yet simple enough for laypersons in your church." Timothy Paul Jones, Ph.D., Professor of Apologetics and Family Ministry, The Southern Baptist Theological Seminary "In forceful and direct terms, Talley challenges readers to think about some of the most basic and important matters of the Christian life. What is the gospel, and how should we communicate the gospel to others? Talley helps readers of all levels to come to greater clarity in understanding the gospel we are called to believe and to share with the world." Guy Prentiss Waters, Ph.D., James M. Baird, Jr. Professor of New Testament, Reformed Theological Seminary "Pastor Trey Talley provides a robustly biblical articulation of the good news of God's grace to guilty sinners, through Jesus Christ. His exposition of the indispensable components of Paul's gospel from Romans shows the standard that our presentations of the gospel, whether in public preaching or in personal evangelism, must meet. Pastor Talley pulls no punches in his critique of defective and misleading approaches to evangelism; but his boldness is driven by the high stakes involved: eternal life and joy in communion with the living God, or eternal condemnation and anguish under God's just wrath. Words matter, and this book shows how crucial it is for us to choose our words well as we speak on behalf of the God of holiness and mercy, into the lives of people who desperately need to be reconciled to him, through the only mediator between God and humans, Christ Jesus, son of God and son of David." Dennis E. Johnson, Ph.D., Professor Emeritus of Practical Theology, Westminster Seminary California Brief Overview: Would you like to know and understand the doctrine of salvation better? Do you desire to communicate the gospel clearly, correctly, and without confusion? Do you have questions about your salvation or the salvation of others? Would you like to be able to witness to your friends, co-workers, and family members with confidence that you are sharing your faith the right way? If so, then this handbook on evangelism is for you! The details of the gospel have become less known by professing Christians and have been replaced with gospel distortions which are powerless to save. Professing Christians have added, subtracted, softened, and twisted the gospel to the point that creative license with the gospel is now the norm. However, false gospels only produce false Christians who have a false assurance of salvation. What is the solution? We need Christians who know, believe, and share the true gospel of God. Stylistically similar to Dr. R. C. Sproul, Dr. Trey Talley, a church planter, elder, and doctoral graduate of Ligonier Academy, takes on this task with theological precision, yet with a teaching style that is simple and straight forward.

A CONFRONTATIONAL, BLUNT, AND TO THE POINT book that rebukes the bondage of sin with the authority of Scripture! An in depth study on the scriptures of God concerning the doctrines, dangers, and consequences of sin. In this short book we will openly declare the truth of the gospel of Christ... a gospel that truly SAVES FROM SIN. As much of modern theology today assumes man will never be free from sin, cannot be made perfect, and will always sin... we will rebuke those heretical, anti-gospel claims with the authority of God's almighty word! Indeed, a man can be made free from sin, can be made perfect, and can walk in Holiness... because of the beloved blood of Christ that cleanses all who REPENT! If you are one of those folks who believe that we are born sinners (original sin), and that we will never be free from sin... this is the book for you.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

What is the gospel? It seems like a simple question, yet it has been known to incite some heated responses, even in the church. How are we to formulate a clear, biblical understanding of the gospel? Tradition, reason, and experience all leave us ultimately disappointed. If we want answers, we must turn to the Word of God. Greg Gilbert does so in What Is the Gospel? Beginning with Paul's systematic presentation of the gospel in Romans and moving through the sermons in Acts, Gilbert argues that the central structure of the gospel consists of four main subjects: God, man, Christ, and a response. The book carefully examines each and then explores the effects the gospel can have in individuals, churches, and the world. Both Christian and non-Christian readers will gain a clearer understanding of the gospel in this valuable resource.

Russell Shorto meticulously investigates Christian history and the Bible's New Testament to reveal the true, historical Jesus Christ. For roughly two thousand years, the world has known only the biblical depiction of Jesus: the virgin birth, miraculous life, and resurrection. Recently, scholars have pursued the historical Jesus Christ by poring through texts, examining ancient documents, and even holding votes. They make a fresh attempt to answer some of history's greatest questions: Who was he? Where did he live? What did he think? And was the Bible's account true? In Gospel Truth, bestselling author Russell Shorto (The Island at the Center of the World) brings a journalist's eye to the life of Jesus Christ. Shorto looks into the Jesus Seminar, where historians seek and analyze evidence of the world's most famous carpenter's son. He compiles their research and ideas to create a composite biographical portrait of Yeshu, a man of ordinary beginnings who changed the world in extraordinary ways. A skillfully compiled biblical interpretation, Shorto shows "a Jesus stripped of the unhistorical" (Library Journal). The result will fascinate believers and nonbelievers alike.
